GRADE & CHARACTER

Natural character — a mix of clean and characterful pieces, with knots and colour variation balanced across the floor.

BEFORE FITTING

Store packs flat and unopened in the room where they will be laid, with heating at normal living conditions, for at least 48 hours before fitting. Subfloors must be flat, clean and dry. Blend boards from several packs as you lay.

CARE & MAINTENANCE

Lacquered finish: sweep or vacuum regularly and clean with a lightly damp mop and a pH-neutral cleaner made for lacquered wood. Avoid steam mops, standing water and abrasive products.

FITTED BY LIGNORA

Supplied throughout the UK and fitted by our own in-house team — the same fitters on every job. Technical certificates are available on request.
