Classic

FORMAT

Plank

INSTALLATION

Glue-down or floating

PACK COVERAGE

2.166 m² per pack

UNDERFLOOR HEATING

Suitable (manufacturer guidance applies)

WARRANTY

25-year structural warranty

GRADE & CHARACTER

Natural character — visible knots and grain movement, balanced and measured.

BEFORE FITTING

Store packs flat and unopened in the room where they will be laid, with heating at normal living conditions, for at least 48 hours before fitting. Subfloors must be flat, clean and dry. Blend boards from several packs as you lay.

CARE & MAINTENANCE

Lacquered finish: sweep or vacuum regularly and clean with a lightly damp mop and a pH-neutral cleaner made for lacquered wood. Avoid steam mops, standing water and abrasive products.

FITTED BY LIGNORA

Supplied throughout the UK and fitted by our own in-house team — the same fitters on every job. Technical certificates are available on request.
